

ABOUTEM ME

Year 4, Semester 2 Computer Science student at the Royal University of Phnom Penh (RUPP), passionate about Full-Stack Development and UI/UX Design. Familiar with Laravel, Spring Boot, React.js, Next.js, RESTful APIs, and database management. Eager to apply technical skills, solve problems, and contribute to real-world software projects.

EDUCATION

Royal University of Phnom Penh (RUPP)

| 2023–2026

Bachelor's Degree in Computer Science

Current Status: Year 4, Semester 2

ETEC Center | 2023–2025

Completed 4 Short Courses:

- UI/UX Design,Front-End Development,
- Back-End Development (Scholarship)
- Netwroking

JomNumTech Online School | 2025-2026

Scholarship Recipient

Completed :

- Database Modeling
- Java Program

Currently Studying :

- Python Programming
